Thank you for inquiring about wedding photography coverage for your most special day. All of my weddings are handled with professionalism and importance. You can build your own wedding photography package below. This is a simplified way of choosing exactly what *you* need for your wedding. Wedding dates are retained for coverage once a retainer of \$350 and signed contract has been received.

- *Backup equipment is always brought to every event*
- *There is no limit to the number of images shown*
- *All of your prints/enlargements are printed by a professional lab for the highest quality and longevity*
- *All digital retouching of images is no additional cost*
- *Full resolution digital files with release is included in every wedding at no additional cost.*

Start with:

3 hours of coverage (minimum).....\$749
 • *each coverage hour includes all full resolution digital files with copyright release*

Add on with:

Additional coverage hour(s).....\$149
 4x6 print of all proofs\$250
 Bridal session (includes digital files and 11x14 enlargement).....\$375
 Engagement session (includes digital files and 11x14 enlargement).....\$375
 • *11x14 enlargement mounted & sprayed for preservation, great for display at the reception*

Albums:

Proof album-includes 4x6 print of each image\$375
 Bridal/Engagement session album-5x7 flush mount including 30 5x7s\$250
 Leather engraved album holding 20 matted 8x10's of your choice\$375
 Wedding album-Custom designed 10x10 flush mount, 30 sides\$575
 Parent album-8x8 flush mount, same design as wedding album\$325
 (available only with the purchase of a 10x10)

Also, bride and groom will receive 50% off regular print prices for one full year from their wedding date. (Regular pricing listed below)

- *8% tax added to to final total*
- *No travel fees are charged unless overnight arrangements are needed*
