Thank you for inquiring about wedding photography coverage for your most special day. All of my weddings are handled with professionalism and importance. You can build your own wedding photography package below. This is a simplified way of choosing exactly what *you* need for your wedding. Wedding dates are retained for coverage once a retainer of \$350 and signed contract has been received.

- Backup equipment is always brought to every event
- There is no limit to the number of images shown
- All of your prints/enlargements are printed by a professional lab for the highest quality and longevity
- All digital retouching of images is no additional cost

Start with:

3 hours of coverage (minimum).....\$700
 • each coverage hour includes all full resolution digital files with copyright release

Add on with:

Additional coverage hour(s).....\$175
 4x6 print of all proofs /\$250
 Bridal session (includes digital files).....\$300
 Engagement session (includes digital files).....\$300
 11x14 enlargement for reception display from either session.....\$50
 16x20 enlargement for reception display from either session.....\$70

Albums:

4x6 print of each proof in leather album\$325
 Leather engraved album holding 20 matted 8x10's of your choice\$300
 10x10 hardcover coffee-table style album with glossy pages\$500
 7x7 hardcover coffee-table style parent album.....\$325
 10x10 flush mount coffee-table style album w/matching box.....\$625
 7x7 flush mount coffee-table style album\$395

Also, bride and groom will receive 50% off regular print prices for one full year from their wedding date. (Regular pricing listed below)

- 8% tax added to final total
- No travel fees are charged unless overnight arrangements are needed
